Sit and enjoy the beautiful views across the harbour to the Solway - whatever the weather - our wood burning stove is sure to keep you cosy during the colder months! We also cater to private functions with the option to combine with one of our guided tours of the Aquarium.

If you have any food allergies or intolerances please speak to a member of our staff before placing your order.

Opening in May 1997, the Aquarium boasts 80+ themed tanks containing an unrivalled collection of the diverse marine and freshwater species found within the Cumbrian and UK waters. There is also our Wild Solway education suite with film theatre and our Sea Lab with lobster hatchery.
